## November 2018 Newsletter

### November is National Family Caregivers Month

Our website is: [www.littlekiddiesdaycare.com](http://www.littlekiddiesdaycare.com)

Our email is: [littlekiddies@yahoo.com](mailto:littlekiddies@yahoo.com).

Center hours are from 6:30 am to 6:00 pm.

#### Important Reminder.

Please send in a jacket or sweatshirt (LABELED with your child's name) each day for your child to wear in the morning to play outdoors. The afternoons are warm, but the mornings are very cool

Also remember to check your child's cubby to make sure they have an extra set of changing clothes that fit, and are weather appropriate.

Please remember to take blankets home on Fridays to be washed.

*Please Welcome our new Teachers:  
Ms. Monique and  
Ms. Brittany*

## Infant Rooms

The Young Infants have been adjusting to the classroom environment and are paying close attention to the people and movements in their classroom. Many of the young babies are now old enough to get a new perspective of the classroom. They're enhancing their gross and fine motor skills as they cruise around the shelves reaching and grasping for toys.

The Older Infants are on the move. They are crawling, pulling up, standing alone walking and running. The teachers have been challenging them by providing push and pull toys. These toys provide support for the new walkers.

### Skill to work on with your child:

Start using a spoon and sippy cup at mealtime. Practice signing "more," "all done," and "please."

## Toddler & 2 years old News

Toddlers will be getting into their daily routine. Learning finger plays and songs during circle time. They will be working on colors.

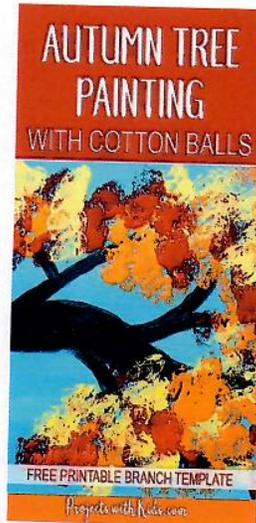

2 years will be talking about autumn. They will be focusing on fall colors, the numbers 1 thru 10 and focusing on the letter B.

## Cold and Flu Season

Parents this is also the beginning of the cold and flu season. If your child is sick or you think they might be sick, please don't bring them to school. Remember if your child has a fever, they must be fever free for 24 hours before returning to school.

With this season comes an influx of runny noses, so we are asking all parents to donate a box of tissue to their child's classroom.

## Pre - K and Enhanced Pre - k News

Throughout the month of November the Pre-K group will be exploring the season. They will incorporate environmental changes (weather, trees, leaves, etc,) into their curriculum. Both groups will talk about the changes in weather.

Reminders: Please get field trip permission slips back to Ms. Mayi.

Enhanced Pre-K sight words: yes, no, I, am, will.

Strategies: FAMILY MEMBERS

can use to facilitate children's  
IMAGINATION AND INVENTION:

- ✓ Encourage children to try new things and solve problems creatively
- ✓ Provide a variety of familiar and new materials and activities for children to explore
- ✓ Encourage children to try new approaches to solving problems
- ✓ Encourage pretend and make believe play
